**Third Annual Revelation Generation Music Festival Returns
Labor Day Weekend 2007 with All-Star Lineup**

*Top Pop, Urban, Punk, and Christian Artists Set to Perform at Revelation Farms
in Frenchtown, NJ, Including Newsboys, Jars of Clay, Brian Littrell, and More*

FLEMINGTON, N.J. – April 30, 2007 – Revelation Generation (www.revelationgeneration.org), an annual day-long music festival, has announced the lineup for its 2007 outdoor concert, scheduled for September 1, 2007 at Revelation Farms in Frenchtown, N.J, from 11 a.m. to 10 p.m. This year, the all-star lineup boasts top-notch artists spanning several musical genres -- from pop and rap, to rock and punk, to Contemporary Christian. Destined to be the “event of the summer,” Revelation Generation will include such music chart-toppers as Newsboys, Jars of Clay, Brian Littrell, Nicole C. Mullen, Grits, Building 429, Phil Keaggy, MxPx, Skillet, Emery, Norma Jean, Flyleaf, and Falling Up.

Now in its third year, Revelation Generation is taking the concert to a new level with the introduction of two equally state-of-the-art stages, on which the event’s 13 musical acts will perform simultaneously. The stages - named Philadelphia and New York for the two major cities adjacent to the festival grounds, and renowned for the birth of some of the country’s best musical artists - will ensure that thousands of fans and music lovers will not miss any of the action on the 140-plus acre property in Hunterdon County.

In addition to the all-star musical performances, Revelation Generation will feature several of the nation’s most powerful speakers (soon to be announced). These time-tested speakers—some who have addressed millions of young people over the last 20 years--will challenge teens and youth to live positive lifestyles—free of drugs, alcohol and addictions—and use their influence and talents to serve others.

The family-friendly event will also continue to offer festival favorites such as the worship tent, children’s activities, games, inflatable rides, and extreme sports, as well as the large local vendor tent offering food, drinks, apparel, and other goods.

“We are always touched by the feedback we get every year from the attendees, which has inspired us to make this year’s event bigger and better than before,” said Robert Grom, co-founder of Revelation Generation with wife Kim Grom. “Our goal is to make every festival a completely different entertainment and spiritual experience and our lineup of bands, speakers, and activities is sure to do just that!”
